

# Company Overview

“The right trade partner is the one that helps you ride through both sluggish and boom markets, and we as an export company want to make sure that our client makes the most in both market conditions”

**SAGAR TIKYANI**  
Proprietor, Dilip Agro

**Dilip Agro** is an exporter of fresh fruits and vegetables based in the wine capital of India – Nashik, the region which accounts for the highest percentage of grape & onion production of the country. With rich experience of 50 years in the industry, and strong relations with growers, we aim to bring only the finest fresh produce for our clients.
